

We have learned there's only one way to earn respect, build trust and produce results. That's by being close to our clients. And there's really only one way to do that.

Face to Face.

Face to Face

SECURE A FUTURE

With decades of experience in planning, executing, managing, tax preparation, and financial reporting within the real estate industry, we take pride in our ability to anticipate both the issues and the opportunities that come your way. This process is called preparation. It means we focus on your specific needs from the ground up. As part of this focus, our comprehensive real estate experience includes the following:

- Cost segregation studies
- Business valuations
- Maximizing credit capabilities
- Controllership and general ledger assistance
- Debt transaction assistance
- Budgeting and cash flow analysis
- Like-kind exchanges
- Property management

GET INVOLVED AND GAIN INSIGHT

Supporting client industries has always been a high priority. We are active members of the National Association of Industrial and Office Properties (NAIOP), Construction Financial Managers Association, Piedmont Real Estate Council and the BDO Alliance Real Estate Industry Group. Naturally, we attend meetings, trade fairs and other industry related events to learn more about the industry and how current events may affect your business.

OUR INDUSTRY EXPERIENCE

- Condominium conversions of more than 1,500 residential and commercial office units
- Land subdivision and construction of condominiums, townhomes and high end single family homes
- Sale-Lease back of office and laboratory facilities
- Management of multiple condominium associations including rental accounting for more than 500 individual owners
- More than 20 syndications totaling over 10 million square feet of office and commercial properties
- Public/Private partnership developments
- Private syndications of multiple office and industrial parks
- Syndications of existing apartment projects
- Distressed bank asset funds
