HIGH POINT – **Smith Leonard PLLC** announces that **Jimmy Eggers**, CPA, has joined their team as a Tax Director. He will be based in the firm's new downtown Winston-Salem location but will serve clients across the Triad. No stranger to public accounting, Jimmy worked with Smith Leonard and their predecessor firm, BDO Seidman, from 2001-2008.

Eggers specializes in working with business owners for their tax planning and compliance needs, which includes family wealth planning and tax compliance for businesses in the manufacturing, distribution, construction, retail, real estate, and not-for-profit industries. His time establishing the internal tax planning and compliance group for a registered investment advisory firm helped develop his expertise.

Firm Managing Partner Darlene Leonard commented, "We are excited to welcome Jimmy back to our team. His wealth of knowledge and years of experience will add tremendous value to our current client base and expanding Winston-Salem market."

A graduate of Appalachian State University, Jimmy has spent the majority of his adult life in Winston-Salem and currently resides with his wife, son, and daughter in Bermuda Run, NC.
